Caterina van Herpt

WEB DEVELOPER

about

As a lifelong learner and web developer, I am always trying new things and adapt well to different techniques and challenges. I have an eye for detail and a love for clean, beautiful design. Working in the research field, I have developed a strong ability to organize and coordinate multiple projects at once. I am excited to join your web development team!

projects

Cappuccinos
Javascript | jQuery | API | CSS Grids

A web app that uses the Teleport API to display an infographic based on user input
caterinavanherpt.com/cappuccinos

Grow Plant Grow
React | Firebase |Gulp
